To Whom It May Concern

**REFERENCE FOR
RAY HATCH
PO Box 2152
SMITHFIELD NSW 2164**

Ray Hatch worked with Abigroup Asset Services from 4 September 2000 to 10 October 2000.

He has been working as a Rigger/Fitter Welder on maintenance/project work being undertaken for Visy Paper and Visy Recycling at its plant in Smithfield NSW. The work included :

- Complete installation including fabrication of associated parts for the rejects handling and compactor system including reject screw conveyor, installation of compactor and its feed chutes, changeover of screen drums
- Fabrication and installation of walkways and platforms
- Installation of hydraulic tank and electrical control station
- Turn key changeover of pulper lines
- Mechanical installation of pump, including fabrication of base and bracketing
- Installation of sorter conveyor and trammel unit
- Dismantling and repairing second hand conveyor.

Ray's main work activities included rigging, scaffolding, fabrication on supports, walkways, platforms, pipe spools, setting up pumps/motor frames.

During this time Ray has worked in a very professional manner and has been willing to do anything that has been asked of him. His honesty and integrity have never been questioned, and his ability to work in a team and show leadership is excellent. His time keeping is also excellent and he had no lost time injuries.

I have no hesitation in recommending or re-employing Ray in the future.

Do not hesitate to call if you have any queries.
